Sojourn House – Houston churches and synagogues have low-cost accommodations near the Medical Center for families of cancer patients. Susan's Rally furnishes a few apartments each year.
M.D. Anderson Network – provides classes and seminars for patients, families and others involved in the fight against all types of cancer. They exchange problems, solutions, and information about drugs, treatment and support.
The Rose – Women who cannot otherwise afford mammograms can come to the Rose for these exams, as well as for information and support.
Stehlin Foundation for Cancer Research – Stehlin remains a leader in cancer research in the world. We give funds for their research efforts and projects.
