## Music Notes

### Looking Ahead

**Walt Disney's *Beauty and the Beast***  
**April 30 (evening) and**  
**May 1 (afternoon matinee)**

The *Joyful Sound* and *Revelation* Youth Choirs are joining forces again for the spring presentation of Dessert Theater. The youth, who contribute regularly in a powerful way to the worship life at South Main, will use this event to develop skills they might not otherwise have the opportunity to use. Set aside the dates.

### Musicians Needed/Wanted

We are looking for singers in the **Sanctuary Choir** and for instrumentalists in the **South Main Brass**. We know you are out there. If God has gifted you as a singer or player, prayerfully consider bringing those talents into regular use here in this place. I would welcome an opportunity to discuss the possibilities personally or via email or Facebook.

## SMBC Father/Daughter Camping

Often times in life we search for big meaningful, life-changing moments when, in fact, those big moments are actually comprised of a group of small moments. The list of this weekend's memories is long, but to give you some idea, I won't soon forget how excited my daughter was when Dad picked her up from school to go camping, or stopping at "Diet Buc-ees" (Isabella's term for the small Buc-ees that doesn't hold a candle to the original), watching a group of young girls eagerly gather sticks to roast hot dogs over a fire ... (of course they are smart enough to know the sticks are also for marshmallows...) being served dinner at an impromptu restaurant that the girls built in the woods, taking a nature walk around an alligator-filled pond, or looking up at the sky on a starry night when one of the other Dad's made a simple comment about how odd it is that we often try to place feeble limitations on God's infinite abilities. For me this weekend, spent with my daughter, was filled with wonderful small moments that I will hold onto for a long time.

## Memorial Hermann Healthcare System Recognizes Patti Peymann

The Hermann Healthcare System gave special recognition to Patti Peymann, a member of South Main Baptist Church, "for her exemplary medical missions work from 2004-2009." Patti provides pharmaceutical services during OSA mission trips to Collique, Peru. Patti expressed gratitude for the support she receives from Memorial Hermann Medical Missions and said, "It's always exhausting work, but

incredibly rewarding to see such tremendous improvements." Patti has participated in eight OSA mission trips and will travel with the next OSA mission team in April. Congratulations, Patti.

Presenting the award, is South Main member Tim Van Duivendyk, Memorial Hermann Executive for Spiritual Care and Chaplaincy.

## Susan's Rally Volunteers

Ludeen Sweeney and Billie Bond, South Main members and Susan's Rally volunteers, put the finishing touches on the Sojourn Ministry's latest apartment 599. Susan's Rally has furnished and decorated about 15 of Sojourn's 18 apartments.

Bruce Roberson founded Susan's Rally in memory of his sister, Susan Robinson Wade, who died of cancer while being treated at MD Anderson. Susan's Rally raises money to fight cancer through its car rally, golf tournament, auctions and other activities. A part

of these funds is used for South Main's Sojourn House apartments. Bruce, Ludeen and Billie have worked tirelessly and effectively to make the Sojourn Apartments a wonderful respite for out-of-town patients at the Medical Center.

### What People Say:

Kaci Coble

*The Discovery Weekend exceeded my expectations beyond my wildest imagination! It was a small, intimate group of participants and coaches, and we really got to know ourselves and one another on a deeper,*

*non-intrusive level. I was pleasantly surprised to learn about my strengths, which were totally not what I expected! The insight I gained about how others viewed me was as flattering as it was beneficial, and learning how to apply my gifts really took my faith and experience to the next level. The entire South Main crew that organized the weekend did a fantastic job of executing the exercises and discussions, making it a safe, inviting place to share and ask questions, and I still get a warm feeling when I see fellow members of my DW group around church. It's absolutely something you have to try not only once, but as often as you want to reconnect with your God-given talents and put them to work in His kingdom.*

## Praying During Worship Service

The Discipleship Committee is excited about a renewed opportunity for our church family. As our church family meets for worship each Sunday, we believe there are great needs among us. The Discipleship Committee is looking for volunteers to commit to praying for the worship service and worshipers during each service. We believe in the power of God to transform lives and touch hearts as people participate in all aspects of worship. To this end, we ask those of you with a passion for prayer to join this effort.

What does "Praying During Worship Service" involve?

- One hour, every three months
- Come with a friend or a spouse
- Led by the Holy Spirit and using the worship program as a guide, pray for the leaders and the congregation as the worship service progresses

## Share Campaign

Have you heard about the Share Campaign yet? As you already know, this is a very exciting and important time in the life of South Main. We are improving our physical spaces, getting the word out about South Main through "innerloopchurch.com," and growing participation in meaningful missions and service. The Share Campaign is a focused effort to engage our entire church family in reaching out and sharing the gift of this place, this family, and this faith with those who do not have a church home to love them into becoming the people God intended.

The Share Campaign runs April 11 - May 2. God is working at South Main, and our preparation and participation are essential as God works through His children. Please start praying now for this campaign and for God to use it for His purposes. If you are interested in how you can get involved in preparations for this campaign, please contact Steve Rader (steven.n.rader@gmail.com) or Bobbye Lott (bclott@prodigy.net).
